### RYC Member Portal

We have now set up a RYC Member Portal on the website. Using your Roses login, you can find all relevant resources such as schedules, rehearsal videos and other useful information in one place. I will notify parents when any updates are made to keep you up to date.

All primary emergency contacts (mainly everyone on this email thread) has had an account created, if there wasn't already an existing one. If you are using your login for the first time or can't remember your login details, please choose "forgotten password" to reset your account.

Please watch the 1 minute video attached which shows how to navigate the website to find and use the portal. If you have any difficulty with this, please let me know.
