

# Youth and Education

April 2024 - September 2025

**Vision: Creating the next generation of creatives**

**Mission: A home for young people to connect and create**

## Objectives

- Re-establish and develop new relationships with educational institutes in North Gloucestershire and beyond
- Engage young people from ages 2 - 30 years old's across our pillar programmes: Roses Young Creatives, Education, Outreach
- Reach ALL young people: Neurodiverse, Special Ed, Pupil Premium, Care/Social, Home Ed, Mainstream
- Reimagine and rebrand key project strands
- Create fundraising and support networks with individuals and organisations
- Be the hub for Creative Careers in North Gloucestershire
- Expand and grow our individual and business relationships into thriving partnerships

## Outcomes

- Strengthened reputation by working with schools and educational partners across Gloucestershire
- Recognised organisation for creative career development
- Increased and stable attendance across all programmes
- Improved attendance to workshops and smaller outreach projects
- A greater diversity of participants
- Regular fundraising from grants and individuals
- Expand and grow our individual and business relationships into thriving partnerships
